

COULD YOU BE OUR NEW TRUSTEE?

TRAUMA
TREATMENT
INTERNATIONAL

At this important point in TTI's journey, we are seeking to expand our board and strengthen particular aspects of our governance through the recruitment of two to three new trustees who will bring their talent and perspectives to the organisation.

Working together, we at Trauma Treatment International will achieve our plans for growth and ensure that the organisation continues to extend its reach, influence, and impact for victims of collective violence, wherever they are in the world.

We are particularly interested in hearing from people with lived experience of the issues we seek to address and/or with the following work-based experience and skills:

Financial expertise (see [job description](#) for more info)

Legal

Human Resources

There are further details available in our [Trustee Recruitment Pack](#).

We follow safe recruitment procedures. To apply, please complete the [application form](#) and send this along with your CV and brief cover letter/email to humanresources@tt-intl.org.
